

AADHAR VERIFICATION CHECK

THE AADHAR CARD IS THE MOST BASIC AUTHENTICATION DOCUMENT IN INDIA. A VALID AADHAR CARD CAN VERIFY THE ADDRESS AND OTHER DETAILS ABOUT AN INDIVIDUAL WHO HAS APPLIED TO WORK IN YOUR COMPANY. AT VERIFACTS WE HAVE CREATED A CUSTOMIZED AADHAR VERIFICATION CHECK ESPECIALLY FOR YOU.

WHILE THE SELECTION PROCESS FOR NEW EMPLOYEES IS ONGOING, CHECKING THE AADHAR CARD DETAILS IS JUST AS VITAL. THROUGH OUR AADHAR CARD VERIFICATION CHECK, VERIFACTS PROVIDES A CUSTOMISED AUTHENTICATION PLATFORM TO VALIDATE AADHAR CARDS OF POTENTIAL EMPLOYEES. THIS HELPS TO CROSS CHECK ADDRESS PROOF AND OTHER DETAILS.

Only Indian Citizens can have an Aadhar Card. Overseas Citizens of India (OCI) or Non-Resident Indians (NRI) are not eligible for the ID. Bal Aadhar is the Aadhar Card for children under the age of 5 years.
