

FINGERPRINT SCAN CHECK

THERE IS ALWAYS A POSSIBILITY THAT AN APPLICANT JOINING WITH MALICIOUS INTENT TOWARDS THE ORGANISATION MIGHT PROVIDE INCORRECT INFORMATION ABOUT THEIR IDENTITY AND COULD BE IMPERSONATING SOMEONE ELSE.

VERIFACTS PROVIDE A FINELY TUNED FINGERPRINT SCAN CHECK WHICH SAFEGUARD YOUR ORGANISATION FROM FRAUDS. THIS SERVES AS A USEFUL TOOL TO PREVENT FORGED SIGNATURES, CASES OF IMPERSONATION AND TO VERIFY JOB APPLICANTS.

FURTHERMORE, IF THE APPLICANT HAS BEEN TO LOCATIONS OUTSIDE INDIA LIKE THE US, CANADA, AUSTRALIA, SINGAPORE, THE FINGERPRINT IMPRESSION COULD BE SENT TO THE CONCERNED AUTHORITIES IN THESE COUNTRIES FOR FURTHER VERIFICATION.
